Foreword by CEO

We are honoured to be a partner of the MCGM Full School Support Program from 2009.
Educo has grown from 20 children in 2009 to 600 plus this year. Everything we do is evaluated in relation to the impact on student learning. Our improvement program has 3 elements. We assess data and other evidence related to student achievement and school operations. We plan improvement strategies and we act on them.

As far as **environment** is concerned we aim to purposeful environment through efficient utilization of building facilities to meet the current and future needs of the children. We provide opportunities for increased personal and social growth of children that contribute to healthy lifestyle.

In terms of **partnership**, we partner with other NGOs and individuals having expertise in various educational programs and subject respectively. WE aim to engage our parents as support for various school activities Eg. Sports, Excursions, co-curricular activities, etc.

In terms of teaching - learning process we plan to strengthen the ICT skills along with creative and critical thinking skills of students. Our focus on developing ICT skills is keeping in mind the future needs. We provide opportunities for teacher development through meeting with experts, mentoring, coaching, and reflection and self-assessment strategies. Our teachers provide learning opportunities that keep children fully engaged to ensure they reach their potential.

Classroom planning is connected to operational and strategic plans measured in performance and development.

In addition, we are proud to announce various new initiatives this year. The Sports Program which continues in its second year is generously funded by Deloitte Shared Services Pvt. Ltd. The school has achieved success in terms of a sports culture and medal winners at the State Level.

We have expanded the faculties tremendously. We are proud to welcome Prof. Ram Mohan as Pedagogy Director. He brings to educo decades of experience in teacher training. Our philosophy of continuous teacher development and training has received a fillip thanks to his experience. Under his tutelage, we have an English, Mathematics and Science faculty working on the curriculum.
We also have introduced a counseling Department which also entails remedial education and to focus on emotional needs of our children.

Our community services also have a new joinee and parent engagement and interaction will be at the next level. This year we created AADHAR cards. Bank accounts were established for more than 500 parents. The annual day was the biggest ever with each of our 600 plus students on the stage.

A calm mind is a prerequisite to effective learning. At Saibaba path the teachers use calming bells in the classroom and we are working on multiple strategies to ensure a peaceful and joyful environment in the school.

Thus, in totality, we are making every effort possible to provide to each of our students an opportunity of overall development.

Meenal Srinivasan,

(Managing Trustee)

Principal's Message

Being the principal of educo managed Saibaba Path MPS is one of the best opportunities the career in the educational field has presented me with.

I joined educo on the 16th of July 2015. It's been 9 months since I am here. It was really challenging to work in an environment which was totally different than the environment in which I was working earlier. The thing I like the most in this school is the free atmosphere in which teachers are allowed to work. There is no unnecessary pressure on the teachers. So, even the teachers treat the students in a similar way. When I newly joined, there were teachers senior to me. So it was a challenge to be accepted by them as a principal. But, each and every one here has been very supportive.

The pedagogy (science of teaching) at **educo** is the constructivist approach. The peculiar feature which I like over here is the in-service training provided to the teachers. It is essential for the continuous development of the teachers. Teachers get observed for the skills of transacting the content. Appropriate feedback and support is provided to those teachers who struggle to do so. The assessments are used to inform about the learning level of students and their proficiency over each and every concept.

The result of these assessments also feedback into the content development process and necessary changes are made into pedagogy or lesson planning from time to time. Thus the whole process finally completes the circle of teaching-learning process in the school and provides support to teachers as well as the school management.

I have taken a few initiatives regarding discipline, morning assembly, punctuality and cleanliness. My vision is that, each and every student should be good in academics and overall personality development should take place through different competitions, sports, co-curricular activities. They should have a good career in their future. I am extremely grateful to our trustee Mrs. Meenal Srinivasan, Mrs. Khunduri,Member of Advisory Board, Mr.Kelkar and Mr.Karnik. Last, but not the least, the HR team for their continuous moral support and encouragement.

About Educo

Vision

Our Vision is to be

1. *To transform our children's economic and personal futures, and through them, transform the future of their families and community.*
2. *A modern sustainable respected, best-in-class educational institution, the pride of the community*
3. *Staffed by capable and dedicated employees and teachers who have pride, dedication and joy in their work.*
4. *To be driven by their love and concern for the success and happiness of the children of Saibabapath MPS*

Mission

1. *To provide a modern, 'best in class' primary education to prepare our children for college and eventually a career*
2. *To provide our children with the tools and capability for inner happiness, i.e. teachings of meditation, ethics, relationships and responsibilities.*
3. *To provide our children with a safe, loving and nurturing environment.*

Our Model

We are fortunate to have the Municipal Corporation of Greater Mumbai (MCGM) as a partner and supported in this venture. We are one of the 6 NGOs in partnership with the MCGM under the PPP policy and are implementing the Full School Management with Private Partner Teachers (FSMPT) Model.

Under the FSMPT, a private partner can manage an existing or new MCGM school and provide free and high quality education to children in the neighbourhood, with its own teachers and principal. The staff is fully employed by the partner and will not be treated as municipal employees.

A snapshot of 2015-16

This year the school has been a centre of different kinds of activities spread out throughout the academic year. The students and the staff organised and participated in these activities, celebration and events wholeheartedly to make this academic year all the more enriching and enlightening. The active involvement of the school management committee and parents also has to be appreciated. A summary of some of the important activities and events organised during the year are given below.

Praveshotsav

The day we start the new academic year is a special day and we begin each year with an event inviting parents and students to participate. We welcome each student to the school with a rose and chocolate. This year on 15th June 2015, the councillor of F-South ward, Ms. Mamta Chemburkar visited our school and gave the inaugural speech. She also distributed text books provided by MCGM.

International Yoga Day

International Yoga Day was celebrated on 21st June. The teachers and support staff participated wholeheartedly. Kalpana Gune of MCGM conducted the session.

Vruksharopan Divas (Tree plantation day)

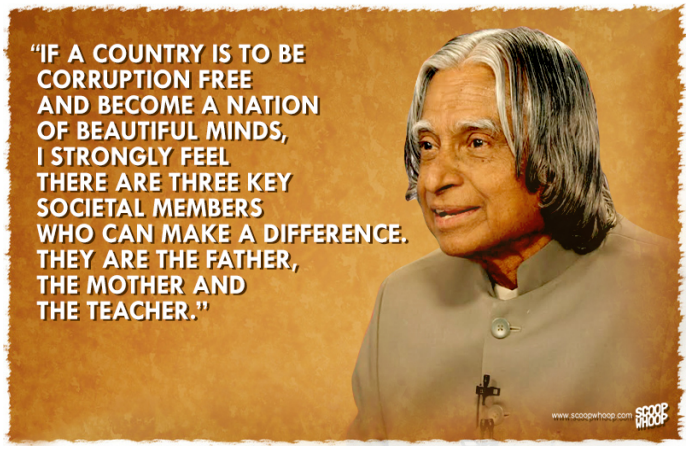
A tree plantation day,sponsored by Tech Mahindra Foundation, was organised on 9th July and Mr. Sanjay Gordia, senior associate, Tech Mahindra graced the occasion with his presence. Five different kinds of indigenous trees were planted namely, Ashoka, Haripatti, Takla, Sonnchafa and Karanj. Students from grade 3 to 6 formed groups and adopted each plant and are actively taking care of the saplings.

Paint a School

On 25th July, more than 30 volunteers from Tech Mahindra Foundation joined us in making the walls of the school look more beautiful. The idea behind this initiative was that the environment of the school should be positive and inviting along with the vision that whatever the students learn in the

classes should be presented in a more visually appealing manner to improve the understanding of concepts. Students participated along with the volunteer in this activity with great zeal and interest. It was an energising and inspiring initiative for students, staff and volunteers alike!

Tribute to APJ Abdul Kalam



As a tribute to the life and contributions of former President of India, Dr. A P J Abdul Kalam, a flex with his great message was put up in the school premises. Students from Grade 5 and 6 gave speeches on the life and journey of Dr. Kalam as an inspiration to follow. This was a spontaneous activity to pay respect to his great leadership and mind. The message also reinforced the importance of the teacher and parents in the development of the child.

95th Death Anniversary of Lokmanya Tilak

August 1st 2015 marked the 95th Death Anniversary of Bal Gangadhar Tilak. On this day, the students paid tribute to the contributions of 'Lokmanya Tilak 'and learnt about more about his life and teachings. A story tellingcompetition was also conducted based on the life of Lokmanya Tilak.

69thIndependence Day

Every year Saibaba path MPS and Saibaba path Marathi medium school students celebrate the Independence Day on 15th August with lot of enthusiasm and energy. The 69th Independence day was no different. The auspicious day began with hoisting of the national flag followed by the National Anthem. Students performed the famous maharashtrian folk dance, Lezim. This was followed by patriotic group song, elocution and storytelling competition. The school management committee members organised a prize distribution for the winners.

The program concluded with distribution of biscuits to the students

Teachers Day

Teachers' day is a very special day for both students and teachers as it appreciates the contribution of teachers in society. This year on 5th September, teachers' day was celebrated and Ms. VandanaGosavi, the Administrative Officer F-South Ward, Ms. Nita Desai, Principal Saibaba Path MPS, and Ms. Meenal Srinivasan, CEO, Educogave best wishes to the teacher. Teachers participated in activities and games like musical chair, word games, dumb charades etc. They were also given a special surprise of having individual photograph clicked by a professional photographer. This was followed by lunch and desserts. The teachers appreciated this day of enjoyment and pampering as they work hard throughout the year for their students.

Bal Swachata Mohim

Bal Swachata Mohim Upkram which began in the academic year 2014-15, concluded in the month of October. Under this initiative, the students learnt the importance of cleanliness and hygiene, cleaned the school premises, and used their creativity to recycle waste into useful things.

Children's Day

Children's day was celebrated in the school on November 14th. The students were asked to come dressed in costumes and fancy dresses. Students from grades 1 and 2 were engaged in interactive games and dressing activities All the students enjoyed their special day.

Constitution Day

On 26thNovember, the date when the Constituent Assembly of India adopted the Constitution of India in 1949m our school arranged a *Prabhat Pheri* from the school grounds through B.E.S.T. quarters and back for all our students to mark thecelebration of constitution day. The meaning of the Preamble was also explained to students.

Deloitte Impact Day

Deloitte Impact Day is a global initiative by Deloitte to showcase their commitment to local communities by choosing a theme and sending volunteers to spend one day celebrating communities. For the third consecutive year, Educo was chosen as the host and the volunteers spent one whole day at Saibaba MPS. The volunteers conducted Sports activities and also numerous activities under Science mania. Through Science mania students were acquainted with various fundamental principles in Science. The activities in Science mania included seed ball experiment, candle activity, introduction to the parts of human body and many more interesting activities. It was an enjoyable and memorable day for the volunteers and our students.

Annual Sports Day

The Annual Sports Day is an event which students look forward to, as they are able to showcase their physical abilities, team work and talents. This year the sports day was organised on 22nd and 23rd December and Mr. Venkat K, from Dubai, who supports the school by regularly donating school materials was the chief guest of the day. The various athletic and sports completion were conducted in the form of heats with selection at every level of competition. The SMC participated in the distribution of medals and prizes won by the students. The students also performed a Yoga and Hula Hoop demo.

Field Trips and Excursions

Field trips and excursions are exciting learning opportunities for students and every year we organise these. This year the pre-primary section got the opportunity to learn about marine life at the Taraporewala Aquarium and about their city through Mumbai Darshan on 23rd October. The students of grades 1 and 2 visited the Traffic Park at Colaba on 3rd December, where the traffic police explain the traffic rules and how to maintain traffic safety. The students of grades 3 and 4 got the opportunity to explore the Nehru Science Centre which has more than 500 hands-on and interactive science exhibits on energy, sound, kinematics, mechanics, transport etc. For the students of grades 5 and 6, the school arranged a visit to the Chhatrapati Shivaji Maharaj Vastu Sangrahalaya (formerly known as the Prince of Wales Museum) where they were able to observe historical artefacts.

Project Day- Drishtikon Art Festival

Art festival was celebrated in our school by pre-primary and primary teachers on 15th& 16th Jan.The theme of the year was Art, specifically an Arts Festival of the likes of the Kala Ghoda Festival held every year, in Mumbai. At Educo, the arts festival was aptly named Drishitikon; celebrating the various perspectives and forms of expression in the arts.

The Drishitikon festival had every single student and teacher at the school participating and

helping each other to perform and participate in the activities of their own choices.

Annual Day Celebrations

This year the students, parents and staff of the Saibaba Path Marathi School celebrated the Annual day 2016 on 4th and 5th February based on the theme of Women Empowerment. It was decided to conduct the annual day over two days to ensure that each and every student got a chance to perform on stage. The preparations for the celebrations of the annual day began in the January itself, with meetings for deciding on themes, formation of committees and delegation of responsibilities, finalizing performances and practice. Since the theme was women empowerment care was taken that appropriate songs and skits were chosen. This was the first time a professional choreographer was called on to assist with the Annual day performances.It was wonderful see all the children dressed up in colourful costumes for their performances and determined to give their best performances. All the parents were very enthusiastic and the overall atmosphere in the school was joyous.

The success of the annual day was due to the well-coordinated effort of the staff, the diligent practice by the students and the participation of all including the parents and guardians. The happiness of the parents on seeing their children perform on stage was quite visible on their faces and all the students have definitely gained confidence through their performance in the Annual day.

International Women's Day

International Women's Day was celebrated in a very special manner this year. It was decided to honour and celebrate the mothers of our students. They are important stakeholders for our school and thus we decided to make them feel special and provide a platform to display their skills and talents. A 'Hobby Mela' was organised in the school hall where every mother got the opportunity to display a skill or talent they cherished. The women came up with ingenious ideas which ranged from a special recipe cooked by them to hairstyling skills. The program was inaugurated by Ms.Meenal Srinivasan. The mother of our student Arya, studying in Grade 4, sang a song on this occassion. The students also performed a welcome song for the ladies. The event

was received very well and all mothers participated with great enthusiasm. Given the success of the program and demand for such platforms, we look forward to organising similar women centric events in the future as well.

Festivals

At Educo, we understand and appreciate the value of cultural diversity. Celebrations of festivals are an important part of our culture and identity. Thus we celebrate the local festivals in small ways and organise cultural and educational events during these days. This year the following festivals were celebrated.

Ashadhi Ekadashi

Ashadhi Ekadashi was celebrated by 2nd Std. students on 27th July 2015. Few students from the class gave a speech about the history and significance of the Ashadhi Ekadashi

Guru Pournima

On the occasion of GuruPournima, we had organized elocution competition in school. The topic was "Importance of Guru in your Life". Students really did very well and it also helped them to overcome their stage fear.

Navratri

Navratri was celebrated on 16th October 2015 and was declared as non-instructional day by MCGM. The students wore colourful dresses and brought dandiya sticks. There was music arrangement in the hall.All teachers and students danced on the music. The principal explained the importance of the festival of Navratri and encouraged the students to participate and learn with enthusiasm.

Christmas

On 23rd Dec we celebrated the Christmas party in the school. Students were excited to have a Santa Claus around. They enjoyed the refreshments served. The special feature of this celebration was the distribution of pocket dictionaries, by a volunteer, for the Grade 4 students.

Special Initiatives by Educo

Life Lab

[Learning is Fun and Experiential (LIFE)] LIFE lab is an organization which helps to set up an innovative hands-on lab designed to foster creativity and rationality among children using science education as bedrock. Educo in association with LIFE Lab introduced this to the Saibaba Path MPS. The core ideology of life lab is - Science is an Attitude, not just an academic discipline. Our journey begins with setting up life labs in low-income under-resourced schools and community centers; hence directly benefitting children from economically disadvantaged communities by inculcating the art of questioning, reasoning, and analyzing.

ISLI Adhyayan

ISLI (India School Leadership Institute) aims to create a pipeline of exceptional school leaders to direct schools that commit to academic achievement and character development of children from underserved communities

The key objectives are-

- to create a pipeline of leaders equipped to lead high performing schools for children of underserved communities
- establish the benchmark for school leadership training in India

The Principal, Ms. Nita Desai and the School coordinator, Ms. Pooja Joshi are part of the India School Leadership Institute Network and are regularly mentored and honed to be able to innovate and take initiative as leaders of the school.

Workshops for Students and Teachers

FOR STUDENTS

- **Shutterflies** was a six-week long photography workshop for a select few 5th grade students. The workshop was led by an external photographer from Shutterflies, Mr. Vinay Kumar. He taught the students various techniques and terminologies of photography through the one hour per week classes.
- Robotics workshop was conducted by **EKAGRATA**. It was held as a weekly session of 2 hours for over two months. The students were given simple kits to give them exposure to the world of robotics.
- Implementing **Nalanda Project**was a unique initiative taken this year. Under this project, students were provided with tablets containing Khan Academy's content. The content comprises videos, exercises of varying difficulty levels on different topics. It encourages

students to take interest in the topics and also promotes a healthy competitive spirit. Even the teachers are benefitted by the real time information of the student's performance.

FOR TEACHERS

At Educo, Teachers' preparedness and their continuous professional development have always been the priorities. We have realised the importance of quality training programs and the impact they can have. We send our teachers for professional trainings conducted by other schools like Muktangan.We also conduct the in-house training, for personal as well as professional development.

The areas of focus in these trainings are

-Pedagogy of teaching Language-Mathematics- Science and Social Studies
- Early childhood education (3 to 8 years)
- Continuous and Comprehensive Evaluation (CCE)- Lesson planning and English Language proficiency.

In terms of leadership development, teachers are provided with time to time training on school's vision and mission and how assuming collective responsibility will help us reach there. Teachers are urged to maintain high expectations and strive for development of every single child. Collaboration, team-work, peer-to-peer learning are an integral part of these training programs.

Health Nutrition and Hygiene Initiatives

We believe in for the all-round development of our students, it is important to give special attention to health, nutrition and hygiene. Keeping this in mind, we provide nutritious fruits over and above the midday meals. In addition, to improve the dental hygiene, brushes and toothpaste are distributed every year to all our students. We also have initiated introducing menstrual hygiene for our girl students and distribute sanitary napkins to them as well.

Sports and Physical Education Programme

Educo has developed a structured sports program for the students of Saibaba MPS and each every student is learning at least one sport. Currently we offer students rope skipping, volley ball, athletics, football, taekwondo and chess. There are coaches coming in for each of these and special coaching three times in a week. As a result of these structured interventions, our students have participated and won laurels in division and state level competitions. This is a truly great achievement.

Community Outreach

Our endeavour at Educo is to prevent and reduce drop outs. To ensure this we have established a strong community outreach process to tackle any drop out. There are house calls, home visits and counselling for parents and students to ensure that we don't lose even one child. We are also happy

to see that not only has our dropout rates reduced, but also the enrolment has increased and many students who dropped out initially have also joined us back in school.

Human Resources Initiatives

Educo takes great pride in its people and believes that happy and motivated employees are a key to successful organisation. All employees are provided with hot breakfast in school. There are training and development opportunities provided to teachers throughout the year. In addition, birthdays of staff members are celebrated by everybody. We also organise picnic for the staff that is eagerly awaited every year. We arrange a structured induction program twice a year, which involves many activities and the prizes for it include movies and outings.

Achievements

EXTRA CURRICULAR ACHIEVEMENTS

- **Balakotsav**is an event organized by the BMC. The team of our school participated in the Folk Dance category and also won the consolation prize.
- In a similar event named, **Sanskriti samvardhan**, our team won a trophy for their performances.
- For the first time our school participated in the **HALLA-BOL** which is an Inter-School Parliamentary Debate Tournament. It is an achievement for the school to provide the students with such good platform and exposure.

SPORTS ACHIEVEMENTS

Taekwondo
Educo and Sai Baba Path School have begun Taekwondo training forthe students from Grade 1 and 2.

Chess- Educo and Saibaba Path School have begun Chess training for the students from Grade 2 to Grade 4.

Volleyball- Saibaba Path MPS Volleyball team participated in M.C.G.M. tournament for the first time.

Football-
our under 14 Girls football team participated in the 7th South Mumbai Junior soccer challenger 2015-16 which was an initiative by Mr. Milind Deora.Our Under 12 and Under 14 Boys Football teams also participated in 7th South Mumbai Junior Challenger 2015

Young Achievers

- **D.S.O (District Sports Office)** organized the rope skipping competition, in which, out of 20 students who participated, 9 students won in different categories.
- 4 of our students were also selected for the Division level competition.
- 2 of our students were further selected for the State level competition.
- Our students participated in large numbers in **the 2nd Open Rope Skipping Championship.** Medals won-

GOLD	SILVER	BRONZE
3	7	7

Success Stories

Ganesh Ghutukade

Ganesh Dada Ghutukade is a very bright student in the 5th grade. His father, Dada Ghutukade, is a store assistant in an office and mother, Nanda, is a house wife. His parents are very supportive and motivate the children to do well.

Initially, he lacked confidence and could not speak in English. But, with the help of his teachers and their encouragement, he has now transformed into a confident student and can converse well in English. He got selected for state level competition in football and got a gold medal for langadi. Last year, he also won a medal in running. He secured 1st prize in the competition organized by *Sanskriti Sanvardhan Pratishthan* in the school. He also won 1st prize for the essay writing and debate competitions. In the Middle School Scholarship Exam conducted by Maharashtra State Council of Examination, Ganesh stood 35th in the whole state and was given a certificate and Rs. 1000.

Ganesh now has the positivity and hopes to change the future of his family. He wants to be a computer engineer. He also aspires to reach out to children who face difficulties and provide them with high quality education. This kind of positivity has come from the supportive learning environment provided by Saibaba Path School, his own initiative and hardworking.

Shilpa Jaiswal

Shilpa Pappu Jaiswal is a very cheerful girl in the 6th grade at Saibaba Path MPS. Her father, Pappu Jaiswal, is a taxi- driver and her mother, Babita is a house wife. Her father studied up to SSC while her mother, attended school only for 5-9years. Shilpa has 3 siblings; two of them are studying in the same school. They live in a rented room.

When she joined the Saibaba Path MPS she was a quiet and shy girl, reluctant to interact.The teachers started ensuring that she participated in the class interactions and the numerous competitions organized. Today, she is a confident student who participates willingly in several activities and also interacts with fellow students and teachers.

Shilpa participated in the Modern United Nation debate competition and the quiz competition held in school. She loves rope skipping and participated in the interschool, district as well as state level rope skipping competition. Shilpa received a scholarship for the

district level competition which was held by Mumbai Mahanagar Palika. She won a gold medal at the district level competition. Further, out of so many participants from across the state of Maharashtra, she was also selected for the State level competition conducted in Ahmednagar.

Looking at her progress, her parents also motivate her to participate in every activity.Shilpa has been able to strike the right balance between her academic performance and the co-curricular activities. She is a very enthusiastic girl who has many dreams and has the potential to achieve them. We are very sure that, by continuing to be a good student and growing as an individual, she would one day, be an important facilitator of change for the community.

Laxmi Kahar

Laxmi Kisan Kahar is like any other 10 or 11 year old girl - full of energy and eager to talk. She is the eldest of the three daughters of Kisan Kahar, a 5th standard dropout and Nandini Kahar, an illiterate housewife. Her sisters, Khushi and Kusum also study in our school in 1st grade. Her father Kisan works as a security guard. Her parents want their children to learn and build better futures for themselves.

Laxmi was a very silent student when she joined in Jr.KG. But with a lot of encouragement from teachers and peers, she has transformed herself totally. She started participating in the annual day from grade 1 onwards. This helped her overcome her stage fear as well. This year (2015-16), she was the master of ceremony for the annual day and she compered in English in front of more than thousand students and parents. Her parents are very proud of this fact. They believe the various co-curricular and extracurricular activities of the school have helped Laxmi in developing her personality.

Laxmi wants to make her parents happy by scoring good marks and being a good human. She is aware of her weakness, which is bad handwriting and is working towards improving it. Laxmi wants to join the Army as they protect our nation. She says she was inspired by the visit to the naval dockyard where she saw submarines, ships, etc. She hopes to achieve her dreams through hard work and perseverance. Laxmi is on her way to a brighter and better future with confidence and we will continue to support her in her endeavours.
